"Udupi is a coastal town in Southern India which is famous for Hindu Temples built centuries ago and is also known for its delicious vegetarian cuisine. Thousands of tourists from all over the world visit beautiful Udupi to see the beauty of the old temples and to taste the authentic south Indian vegetarian cuisine. Eventually, people started opening Udupi restaurants throughout Asia, Europe and now all over the world. The lord "Krishna" is worshipped mainly among many Indian Gods by the people who live in Udupi"
